GATOR WASH®

MICROBIAL INDUSTRIAL CLEANER

Gator Wash is a unique blend of natural surface active agents that promote the wetting, solubilization and emulsification of various types of organic chemicals. The naturally occurring microbes are dormant until hydrated in the Gator Wash solution. Once hydrated, the microbes enhance Gator Wash to transform harmful compounds into non-toxic by-products.

BENEFITS

- Non-toxic, non-flammable and biodegradable.
- Accelerates biodegradation of hydrocarbons.
- Environmentally Safe and Cost Effective.
- Replaces detergents, citrus and caustic cleaners.

APPLICATIONS

1. **Paper Mills and other process industries.** Use for general cleaning on equipment and floors. Any area that drains into process sewer. Will reduce hydrocarbon build-up.
2. **Petroleum Distribution Operations.** Use for concrete cleaning, tank cleaning and clean-up around pump islands.
3. **Maritime.** Use to clean Engine room, bilge, wood & painted surfaces, remove tarnish & mildew.
4. **Restaurants and Hotels.** General purpose cleaner for all cleaning jobs.
5. **Aircraft.** Exteriors and interiors. Meets McDonald Douglas CDS-1 and Boeing specifications for exterior use.
6. **Commercial.** Use to clean walls, woodwork, bathrooms upholstery and carpets.

USE DIRECTIONS

For most applications dilute Gator Wash with water, 1 part Gator Wash to 10 parts water. Please contact your sales representative if you have any questions regarding dilution.
